Best of all (or not)... Saturday afternoon is a pool party and cookout at my house. We can swim in the pool or the lake, hang on the deck, play foos, eat burgers, drink beer and margaritas (and maybe a buttery nipple or two), and soak up the sun before heading up to Fat's for more foos. All foosers and friends are invited... please let me know if you can attend and how many will be coming. I will pass out directions Friday night
